**FOR IMMEDIATE RELEASE:**

## **XPORTECHS Renews Highest Microsoft Partnership Level of GOLD**

**Ellicott City, Maryland – January 2010** – XPORTECHS, a leading Information Technology company, announced that it has renewed the highest Microsoft Partnership level of GOLD. **GOLD CERTIFIED** Partners represent the highest level of competence and expertise with Microsoft technologies, and have the closest working relationship with Microsoft. This partnership allows XPORTECHS to tap into the extensive resources of Microsoft to offer clients a competitive edge as well as greater opportunities for technical creativity.

“We are extremely pleased to be awarded this partnership,” states Michael Mellott, President of XPORTECHS. “Being a Microsoft GOLD partner demonstrates XPORTECHS’ expertise and knowledge of Microsoft products while providing our clients with several benefits including access to certain previously restricted Microsoft products, support, and e-learning.”

In addition to the GOLD Partner level, XPORTECHS was also recognized for achieving three Microsoft specializations: Security Solutions, Advanced Infrastructure Solutions, and Networking Infrastructure Solutions.

Security Solutions  
Advanced Infrastructure Solutions  
Networking Infrastructure Solutions

### **About XPORTECHS**

XPORTECHS is a leading Information Technology company offering a full range of services including Microsoft Network Solutions, LAN and WAN connectivity, Proactive IT Managed Services (XperCARE), and Internet Connectivity. Our focus is on delivering high quality Networking, Proactive IT Managed Services and Internet Solutions that are critical to solving information needs of our clients. Our philosophy is built on our commitment to our clients and ability to deliver the best customer service available through our certified (CNE/MCSE/CNTE) engineers, and the proven quality and value of our Xper**CARE** Managed Services.

XPORTECHS provides Installation and Support of networks, servers, workstations, firewalls, routers, switches and IP phone systems. The company provides on-site and remote support through our Xper**CARE** Proactive IT Managed Services offering.

**Give us your computer problems and “Xperience the Difference”**
